

The Vail 26 is the American-made fireplace system that ships complete in one package – fireplace, assembled mantel, Flint Hill log set with 20,000 Btu vent-free Contour burner, matte black hood, frame and louvers – even glowing embers.

This package system installs in as little as 30 minutes, minimizing labor costs. A total mantel footprint of just over 17 by 45 inches makes the Vail 26 ideal for tight spaces and small rooms.

The Vail 26 is available in three mantel colors – nutmeg, cherry, and white.

Lute Supply carries a large variety of supplemental heat sources. Please call 1.800.729.5883 for more info.
